Passed all 3 parts of the exam the first time!

*Many of the questions you went over in
class were on the exam!*

*I recommended your class to others who did
not pass the exam that day.*

The smaller class size was best for me.

*Saturday's 7 hour long classes prepared me
for the lengthy day of the exam.*

*The calculation book you supplied and
taught from was the key to my success!*

*Your "helpful hints" list went a long way in
preparing me.*

*Your expertise in the code, alarms, and
business was quite evident.*

*The power point question format mimicked
the actual exam format.*

*Your numerous handouts helped me better
prepare.*

*Learning how to find the keyword in the
question made lookup easy.*

*I was more comfortable taking the exam
after taking your classes.*

*Include me as part of your Success Rate! -
passed all parts!*

100% of the class
passed all parts of the July
2008 contractor's exam!

State exam pass rate avg. is 40%.
